

PRESCHOOL SCIENCE CLASSES

For Children ages 3 to 5 on Tuesdays from 10 a.m. to 11 a.m.
in the West Annex adjacent to the main Arts and Science Building
Individual class and Series options available

September 16

Animals All Around—Did you know there are animals in your backyard? Learn more about them while meeting live ones as well. Make a turtle of your own to take home.

October 14

Water Water Everywhere—What is evaporation? What sinks and floats? Answer these questions and more in this wet class. Create a water bottle boat of your very own to test!

November 11

Color-tastic!—Why do we have rainbows? What colors you can mix to create purple, orange, and green? Answer these questions and others in this color-tastic class! Make a color tube to take home.

December 16

Diggin' Dinos—Unearth these "terrible lizards" and compare your footprint to one left behind. Touch and examine real fossils and make a replica of your very own to take home.

January 13

Snowy Day—Forecast for this class is snow! Discover what animals like to live in the snow while making some of your own.

February 17

Safari Hunt—Learn about animals that live in the African Savannah. Find out how elephants, rhinoceroses and cheetahs survive in hot and dry savanna habitats. Create your very own African animal to take home.

March 17

Energy Explorers—Investigate energy with magnets, electricity, and light. Try to light a light bulb with a battery! Make a magnetic discovery bottle to take home.

April 14

Seed Journey—From seed to plant – learn about this amazing journey of gardening science. Transform a pinecone into a green plant habitat.

May 12

Matter of Science—Explore solids, liquids and gases while making mixtures and solutions. Create your own ooey gooeey slime to take home.

For registration form and cost information, please see other side.

2014 - 2015 Preschool Science Program

Catawba Science Center is happy to present a series of engaging, educational programs to inspire young scientists. The Preschool Science Program is open to all children ages 3-5 and their care givers. Classes will be held in the West Annex, adjacent to the main Arts and Science Center Building, in classroom 1. Classes are Tuesdays from 10:00 until 11:00. Preschoolers get their hands dirty and their minds piqued by exploring simple science concepts through play, crafts and demonstrations.

Accompanying adults are free. Pre-payment and registration required to reserve your space, which is limited and available on a first-come, first-served basis.

To register, mail payment or stop by CSC's office (Monday-Friday, 9 a.m. – 5 p.m.) or use a credit card to register by phone (828)322-8169. Call to learn more or find out about our refund policy.

Child's Name: _____ Birthdate (mo/day/yr) _____

Parent/Guardian Name: _____ Phone: _____

Address: _____ City: _____ State: _____ Zip: _____

E-Mail: _____ CSC Member*: _____ Yes _____ No

*To receive discount pricing on CSC programs, your CSC membership must be valid throughout the time you or your family member(s) will participate in the program.
