

Summer Programs June 14 – August 13, 2010

CSC EXHIBIT WALK-THROUGH VISITS

Days / Times: Tuesdays-Fridays between 9:00 a.m. and 5:00 p.m.
Group Size: 10-200 students per visit (plus adult leaders) Groups must have 1 adult for each group of 10 children.
Cost: \$4 per child, one adult per 10 children receives free admission.

CSC PLANETARIUM SHOWS

Days / Times: Tuesdays-Thursdays between 9:00 a.m. and 12:00 p.m.
Program Length: Dependent on show, scheduled in hour intervals
Group Size: 65 total students and adult leaders per show; Groups must have 1 adult for each group of 10 children.
Cost: \$5 per person (fee includes CSC walk-through)

ASSEMBLY PROGRAMS

Physics Phun – See a variety of physical science demonstrations that appear magical & then learn the science behind them. Featured demos include tablecloth yank, Van de Graaff generator, giant lever & many more.

Reptiles Revealed - Meet some of CSC's live animals as you discover the fascinating world of reptiles. By comparing our alligator, lizard, snake, & turtle to other animals, students will learn what characteristics all these animals share & what makes each unique.

Rockin' Reactions – Learn some basics of chemistry through these sometimes fiery demonstrations. Program includes liquid nitrogen favorites and exploding silo, elephant toothpaste and more!

AT CSC

Days / Times: Tuesdays-Fridays between 10:00 a.m. and 4:00 p.m.
Program Length: 50 minutes
Group Size: up to 110 students
Cost: \$90 for up to 30 students (includes exhibit exploration)
\$150 for 31-60 students (includes exhibit exploration)
\$270 for 61-110 students (includes exhibit exploration)
Note: Scheduling of programs for groups of more than 30 Students depends upon availability of Arts & Science Center auditorium.)

AT YOUR LOCATION

HANDS-ON PROGRAMS*

All about Animals – (best suited for lower elementary students) Explore and discover different creature groups such as insects, sea life, mammals and more in this station-based class. Meet some of CSC’s resident live animals.

Slime Time – (best suited for elementary school students) Explore the properties of matter and the basics of chemical reactions. Students will make “silly putty” to keep.

Sound Science – (best suited lower elementary students) Learn about the properties of sound in this station-based class.

Wonderful Water – (best suited for elementary students) Learn about the properties of water! Investigate density, solubility and buoyancy. Play with Magic Sand too!

Poke A Squid – (best suited for upper elementary school students) Dissect this cephalopod and learn about animal adaptations in this messy class. Materials fee additional - \$3 per specimen charge.

What Goes Up... - (best suited for upper elementary and middle school students) Explore Newton’s Laws of Motion with various hands-on activities.

Math Mania – (suitable for all ages) – Math doesn’t have to be boring – keep your brain sharp with amazing math tricks and engaging table top challenges.

Days / Times: Mondays-Fridays between 10:00 a.m. and 4:00 p.m. at your location or Tuesdays-Fridays at CSC

Program Length: 50 minutes

Group Size: 30 students maximum (plus adult leaders)

Cost: \$90 (on-site, includes exhibit exploration)
\$105 (at your location)

*Mileage charge: 50.5¢ per mile for programs outside Catawba County

***Sites that book more than 5 programs throughout the summer will receive the discounted rate of \$75 per program.**
