

**June 30, 2014**

## **PART-TIME POSITION AVAILABLE**

### **Animal Care and Aquaria Assistant**

**Catawba Science Center, Hickory, NC.**

Year-round, part-time position, 30 hours per week.

Work closely with Animal Curator and Exhibits staff to maintain CSC's live animals and habitats. Work schedule: Tuesday through Saturday or Sunday through Thursday.

Primary duties as Land Animal Caretaker – responsibilities include daily land animal care and habitat maintenance. Secondary duties as Aquarist Assistant - responsibilities include regular tank maintenance, saltwater mixing, animal husbandry, and daily aquatic animal care.

Additional duties include providing interpretive presentations to the public.

High school diploma required. Desirable Qualifications: Experience in animal care. Aquaria experience a plus. Good communication and people skills, and ability to learn new skills. Ability to lift and move up to 60 pounds.

Pay rate: up to \$9.75 per hour, based on qualifications.

**How to apply:** Send resume with cover letter to Human Resources, via e-mail: [jobs@catawbasience.org](mailto:jobs@catawbasience.org), or mail: P.O. Box 2431, Hickory, NC 28603. EOE. [www.catawbasience.org](http://www.catawbasience.org).
