

BLAST-OFF ... CSC's 2012-13 engaging & educational preschool science programs at Catawba Science Center

Catawba Science Center's Preschool Science Program is open to all children, ages 3 to 5. Classes will be held at CSC on Tuesdays, from 10:30 until 11:15 a.m.

**September 18
Simple Machines**

Explore simple machines and how they are used in our lives everyday. Experiment with levers and gears. Make your own Spirograph creation to take home.

**October 16
Insects & Spiders**

Explore the world of insects and spiders, as well as other creepy crawlies. Meet "Rosie" the tarantula, hissing roaches and other CSC creatures. Make your own creatures and spin a spider web!

**November 13
Asteroid Adventures**

What things make up our solar system? Why does the moon look spotted? Find out as you become a space explorer! Take a journey around the universe and explore all of our planets! All astronauts will make a rocket to take home!

**December 11
Seasons**

What can be more fun than jumping in a pile of leaves? We will find out about the different seasons of the year. We will do leaf rubbings, play in the snow, experience springtime growth, and play at the beach all in one class.

**January 15
Scientist's Senses**

Discover the world around you by using your five senses. Track down scents with your nose, feel mystery objects with your hands, and match sounds using your ears- plus much more!

**February 12
The Heart and Other Body Parts!**

Discover dinosaurs big and small by examining fossils and learning the difference between an herbivore and a carnivore. Make your own T-Rex tooth to take home.

**March 12
How Does the Wind Blow?**

Children will learn about the principles of air and wind. Discover how wind makes things move! Make your own kite to take home and fly!

**April 16
Earth Superheroes!**

How do trees help us? Where does the garbage go? Learn ways to help save the earth and conserve water, land, and energy! Learn how to recycle and receive a recycling awareness certificate!

**May 14
Ocean Adventures!**

Take a dive into the ocean blue and discover amazing sea creatures! Meet some of CSC's own special ocean animals! Students will make their own ocean and sea turtle to take home!

For registration form and cost information, please see other side.

Science  **2012 - 2013 Preschool Science Program**
 center

Catawba Science Center is happy to present another year of engaging, educational programs to inspire young scientists. The Preschool Science Program is open to all children ages 3-5. Classes will be held at CSC, Tuesdays, from 10:30 until 11:15 a.m. Preschoolers get their hands dirty and their minds piqued by exploring simple science concepts through play, crafts and demonstrations.

Cost is \$9 per child for CSC members, \$17 per child for nonmembers. **Sign up for the year at a cost of \$65 for members, \$130 for nonmembers.** Accompanying adults are free. Pre-payment and registration required to reserve your space, which is limited and available on a first-come, first-served basis.

To register, mail payment or stop by CSC's office (Monday-Friday, 9 a.m. – 5 p.m.) or use a credit card to register by phone, (828)322-8169. *Call for more information or to learn about our refund policy.*
