ASSEMBLY PROGRAMS

Physics Phun – See a variety of physical science demonstrations that appear magical & then learn the science behind them. Featured demos include tablecloth yank, Van de Graaff generator, bed of nails & many more.

Reptiles Revealed - Meet some of CSC's live animals as you discover the fascinating world of reptiles. By comparing our alligator, lizard, snake, & tortoise to other animals, students will learn what characteristics all these animals share & what makes each unique.

Rockin' Reactions – Learn some basics of chemistry through these sometimes fiery demonstrations. Program includes liquid nitrogen favorites and exploding silo, elephant toothpaste and more!
