

Now Accepting Applications:

Enthusiastic and energetic staff needed for Summer Fun Science Camp
June 11– August 24 at Catawba Science Center

Summer Fun Instructors: Instructors will provide engaging, participatory science programs to youth in grades Pre-K through rising ninth. Instructors are to design, plan, and teach camp activities, games and lesson plans; meet deadlines; and comply with Summer Fun guidelines. Classes are Monday – Friday from 10 am until noon. Positions available for specific age groups for one to five weeks during camp dates. Four year degree, some teaching experience, and commitment to inquiry-based learning required. Successful candidates will have the ability to communicate an enthusiasm for science to children. Pay rate: \$18 per hour for each hour of students contact classroom time, not to exceed 10 hours per week.

Summer Fun Morning Counselors: Morning counselors plan and facilitate independent science learning activities for early arriving campers, Monday – Friday 7:15 – 10:15 am. Positions available for specific age groups for four to eleven weeks during camp dates. High school diploma and ability to work with all ages required. Pay rate: \$10 per hour.

Summer Fun Afternoon Counselors: Afternoon counselors plan and facilitate activities for Afternoon Adventures campers, rising 1st-9th graders, Monday –Friday from 11:45 am until 5:30 pm. High school diploma and ability to work cooperatively with other counselors required. Must be at least 21 years of age and willing to drive a 15 passenger van. Positions available for specific age groups for five to eleven weeks during camp dates. Pay rate: \$10 per hour.

Apply by sending cover letter, resume, and list of 3 references to jobs@catawbascience.org
