<b>Cost:</b>	\$450, plus tax + mileage (66¢ per mile)

<b>HANDS-ON PROGRAMS</b>
--------------------------

**Wonderful Water** – Learn about the properties of water! Investigate density, solubility, and buoyancy. Play with Magic Sand too! **Suitable for grades K-5**

**Aquatic Animal Adventures** – Meet some of CSC’s live aquatic animals and learn all about them. Examine shells and other sea treasures. **Suitable for grades K-4**

**Ocean Dissections** - Dive into the fascinating world of ocean animals by learning about them from the inside out. Discover how these animals adapt to their aquatic environment and survive the harsh ocean world. Students should dress for a messy experience! The following animals are available for dissection:

**Dogfish** - **Suitable for grades 7+**. Additional fee of \$10.00 + tax per dogfish applies. 2-5 students per dogfish.

**Crayfish** - **Suitable for grades 3-5**. Additional fee of \$9.00 + tax per crayfish applies. 2-4 students per crayfish.

**Science Showtime** - Engage in exciting hands-on physical science experiments and watch amazing demonstrations. Learn how to do the famous tablecloth yank and experiment with a hovercraft. **Suitable for grades 4-8**.

**Rockin’ Rocks** - Investigate the difference between rocks and minerals. Classify different kinds of rocks and learn why some rocks contain fossils. Make your own fossil imprint! **Suitable for grades 2-5**.

**AT CSC:**

<b>Days/Times:</b>	Wednesday-Fridays between 10:00 a.m. and 3:00 p.m.
