

# SCRAMBLE

An official 2025 North Carolina Science Festival event, among hundreds of community-based events that are showcasing STEM (science, technology, engineering, and mathematics) activities for the citizens of North Carolina. [Learn more at www.ncscifest.org](http://www.ncscifest.org).

## CLUES

### BETHLEHEM + TAYLORSVILLE

- Start your hunt by getting a *card* at one of these amazing community buildings, filled with STEM resources galore - even public computers! Locations in Taylorsville & Bethlehem but only one visit needed.
- Feeling creative? Find this downtown location for fun with *paint* and *ceramics*. STEAM on in for **designing** times!
- Spring is upon us! Time to plant some seeds for future **feed** and flowers - find those sprouts, that may need **milling**, and dig into germination at this store.
- Make some beautiful **music** with instruments found here on **Main** - April is International Guitar month too.
- **Get the Lowe** down on fermentation while sipping some bubbly sweet (alcoholic) apple cider at this Alexander County location.
- Let's work some *muscles* - **pure** and simple! **Grit**, brains, and brawn are essential to complete this STEM Scramble hunt.
- Need a jolt to make it through the workday *grind*? Find brewed goodness here (you can even shop for some **rustic** treasures while your **roast** percolates)!
- Chores must sometimes be done - find the tools, paints, and other **wares** needed to complete the **hard** work here in Bethlehem!
- **Bounce** into this building - to look at **buildings**! *Sheds* and science can both be found at this Bethlehem location.
- Run an errand to this location (most do visit one at least once a week - no one wants to be **lowe** on **food**!) to learn a bit about big data.
- Slide into this Bethlehem community spot where ball playing, swinging, and climbing demonstrate physics principles galore!

**FIND THEM ALL!**

At each location, directions here will let you know how to prove you found the site! This QR Code brings you to this website to review the rules and regulations.
