

# SCRAMBLE

An official 2025 North Carolina Science Festival event, among hundreds of community-based events that are showcasing STEM (science, technology, engineering, and mathematics) activities for the citizens of North Carolina. [Learn more at www.ncscifest.org](http://www.ncscifest.org).

## CLUES

### NEWTON-CONOVER

- Start your hunt by getting a *card* at one of these amazing community buildings, filled with STEM resources galore - 3D printers even! Locations in Newton & Conover but only one visit needed.
- Spring is upon us! April showers too. Time to plant some *seeds* for future **blooms** - dig into *germination* at this store.
- Hey **hun**, are you a **sucker** for slides? Explore physics and fun at this *Conover* park.
- Need a jolt to make it through the workday *grind* because your energy **gauge** is on low? Find brewed goodness here; locations in both Newton and Conover (**narrowly** apart), but only one ticket stamp allowed.
- Chores must sometimes be done - find the tools, paints, and other **wares** needed to complete the **hard** work here in **Conover**!
- Leave the **house**, in your best **wares**, for **distilled** beverages here. Cheers!
- **Pin** this spot, *roll* on in, and have physics fun at this longstanding *Newton* establishment!
- It is grilling season! Grab your **hermanos** and sisters for shopping at this **carniceria**.
- I scream, you scream, we all scream it's time for a **delicious** treat! Hopefully we find the sign before the treat melts. It'd be **udderly** sad if it melted...
- Time for a **crusty** treat? *Seize the day* at this downtown *Newton* place.
- **Cue** on up for a shot at these *tables* in *Newton*, *mateys*!

**FIND THEM ALL!**

At each location, directions here will let you know how to prove you found the site! This QR Code brings you to this website to review the rules and regulations.
