

# SCRAMBLE

An official 2025 North Carolina Science Festival event, among hundreds of community-based events that are showcasing STEM (science, technology, engineering, and mathematics) activities for the citizens of North Carolina. [Learn more at www.ncscifest.org](http://www.ncscifest.org).

## CLUES

### STATESVILLE

- Start your hunt by getting a *card* at this amazing community building, filled with STEM resources galore!
- Slide into this community **center** where ball playing, swinging, and climbing demonstrate physics principles galore! Let's get our **fitness and activity** on!
- There's physics fun here; **play more** games & get **more** strikes!
- Let's ride **bicycles** to find this place - **first** we may need a *tune up* (good thing it's a service they offer!).
- Cheers to beverages brewed here! Find this downtown location to enjoy a pint.
- Get your hair done here, for you & **Company**; biology and chemistry help for good hair days!
- I scream, you scream, we all scream it's time for a treat! Hopefully we find the sign before the treat melts.
- Feeling **crafty**? Find this downtown **corner** location for fun with *paint* or *ceramics*. STEAM on in for artsy times!
- Dreaming of **lake** and **mountain** adventures has sadly ended. If you need a jolt to make it through the workday *grind*, find brewed goodness here.
- Buzz on in *honey*! Pollinators make a tasty and healthy treat!

**FIND THEM ALL!**

At each location, directions here will let you know how to prove you found the site! This QR Code brings you to this website to review the rules and regulations.
